

**SUMMER 2011**  
**SPHHS COURSE SCHEDULE**  
**PUBH, HSML & GRAD EXSC COURSES ONLY**

*(This schedule is subject to change. Updates will posted on the SPHHS Listserv)*

**REMINDER:**

**Variable Credit Hour Courses and Course Credit Issues – Credits Must Match Curriculum:**

Students who register for courses designated with variable credit hours **MUST** register for the same number of credit hours assigned to the course(s) in effect for their entry term and year. Please refer to the curriculum plan for the year in which you matriculated in your program to find out the correct course credit. It is the student's responsibility to register for the correct credit hours. Failure to register for the correct credit hours will result in having to adjust the credit hours, which may result in a financial penalty and a delay in graduation.
